

Insights into Every Aspect of Safety

For TAMK staff and students

At TAMK, safety is more than just rules - it's a shared culture shaped by our everyday choices.

Code of Conduct & Principles for Safer Spaces

Every small action helps make our campus a safer place.

Cybersecurity & Data Privacy

A strong password can stop problems before they start.

Safety Observations

Safety improves when everyone gets involved.

Building Safety

The campus is a shared space - let's keep it safe together.

Emergencies & Crisis Communication

Knowledge keeps you safe.

Harassment, Bullying & Inappropriate Conduct

Help is always within reach.

Accidents & Hazardous Situations

Being prepared shows you care.

Occupational Safety and Protection

A well-being of the individual and the environment

"Safety is a common concern for all of us."

What's one small thing you can do today to help make our community safer?
