20.8.2020 Sote Virtual Lab

Kirsi Ihalainen
Sound artist & CEO
Kelosound Oy

A lush green forest with sunlight filtering through the trees. The scene is filled with tall, slender trees and a dense carpet of green ferns and other undergrowth. The lighting is soft and warm, creating a serene and peaceful atmosphere.

Nature closer to people

Creates relaxing atmosphere

Experience a more pleasant room

Forget your worries

Breathe for a moment

Enjoy the experience

KELOSOUND®

sound playing and relaxing wood

Three different models

The wood itself plays the sounds

It takes you to nature

Controlled with a mobile

Requires electricity, Wi-Fi & Android

SAUNASOUND® – *Sound for your sauna*

Walls turn into speakers

Sauna benches vibrate

Experience the sound as 3D

SAUNASOUND® Stereo

SAUNASOUND® Surround

Sound Library

Bear Snuffle

Winter Dream

Wavelet Summer

Black Grouse Trance
