- You may limit the viewed selection by choosing only desired campus(es).
- You will get more information (time, place, price etc.) by clicking the events. Reservations and enrollments are done in this same window.

Course enrollments

- Open the course from Selection Calendar (or from course listing at web pages)
 - Click “Enroll on the course” link
 - Course info and payment info are updated to “My Page”. There is a delay in generating the reference number of payment. The system will inform you at My Page if the number is not ready yet.
 - You will receive an automatic confirmation email after enrollment. A reminder email is also sent just before the course begins.
- Course info has a comment text if the course enrollment has not yet started, enrollment has finished or the course and its waitlist is full.
- You may click “Put yourself on waitlist” link if the course is full but there are still places at waitlist. If anyone already accepted on the course cancels the enrollment, the first person on the waitlist is accepted on the course. The acceptance is confirmed by email, “My Page” information is updated with payment information and text “Waitlist” disappears.
